**A unique place in Rio de Janeiro  
The best address for a luxurious seasonal rental in Copacabana**

Copacabana Terrace ... a unique place in Rio de Janeiro.

Copacabana Terrace is one the most exceptional penthouse in Rio de Janeiro.

Copacabana Terrace is a 1450 square meters penthouse on the top of a building located in Copacabana, at only two blocks from the Copacabana Palace.

Copacabana Terrace offers you a gorgeous terrace with a unique panoramic view on Copacabana beach, the Christ of Corcovado and the Sugar Loaf.

Copacabana Terrace has two dining rooms, a formal dining room for 20 persons, a convivial dining room with furnitures designed by Philippe Starck for 10 persons, a salon with panoramic view on Copacabana beach and Atlantic ocean with furnitures designed by the french architect Le Corbusier, a TV salon with TV plasma Sony and home cinema Sony. Two junior suites ( Samba suite and Carnaval suite ), two masters suites ( Bahia suite and Ipanema suite ), one presidential suite ( Copacabana suite). Each suite has its own marble bathroom and a completely new air conditioning system.

Copacabana Terrace offers you a private swimming pool in blue marble (5 meters large x 12 meters long) with a panoramic view on Copacabana beach and Atlantic ocean. The terrace of the swimming pool is furnished with double sunbeds, like at Nikki beach in Saint Tropez or Marrakech.

On the terrace you will also find a barbecue and a pizza oven for lunch or parties.

The kitchen is completely new with all modern equipments.

Copacabana Terrace offers you a free access to internet Hi Speed with the largest capacity available 2 x 8 Megabits = 16 Megabits and cable TV network.

Two maids and a coordinator ( english, portuguese and spanish speaking ) will help you to facilitate your stay in Copacabana Terrace and in Rio de Janeiro.

Copacabana Terrace has been completely renovated two years of renovation ending in 2010
